Re: Shipley wells #1-F &  
2-K, 3-17-29, Square  
Lake Pool

Gentlemen:

August Supplement No. A-31 cancelled the allowable of the subject wells for failure to file Commission Form C-115. We are now in receipt of said report, but the same shows no production for the wells. Therefore, these wells will receive no allowable until it is needed and requested.

If you have any questions concerning this matter do not hesitate to call upon me.

Very truly yours,
