(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Amount sold = zero
Equipment use = zeroAmount vented = 438 cu ft/day

The method of measurement is by use of a 2" portable orifice tester (used for periodic testing).

The reason for non selling of gas is that the gas company is not interested in taking such a small amount.

We hereby request permission to continue to vent gas.

14. I hereby certify that the foregoing is true and correct
