17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

On August 14, 1976 a bridge plug was set at a depth of 2750', 70' above the bottom of the casing. We request that the pits could remain open until the actual work over or the plugging and abandonment of this well is completed. This well will probably be P and A within a few months along with several other wells in this area.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
