DISTRICT SUPERVISOR

Figure 1 is a schematic diagram of a vertical water column. It is represented as a vertical rectangle. The rectangle is divided into three horizontal sections by dashed lines. The top section is labeled 'Surface water' on the right side. The middle section is labeled 'Thermocline' on the right side. The bottom section is labeled 'Bottom water' on the right side. The entire rectangle is labeled 'Water column' on the right side. Inside each section, there is a small fish icon. In the top section, the fish is near the surface. In the middle section, the fish is in the center. In the bottom section, the fish is near the bottom. The fish in the middle section is slightly larger than the others.
