Attention: Mr. M. L. Armstrong

Gentlemen:

Our Lynch "A" Well No. 6 has been recompleted from a Fren Penn Gas Pool to a dual oil well in the Seven Rivers and San Andres Zones. We request permission to produce Lynch "A" Well No. 6, Seven Rivers Zone into the tank battery formerly used for distillate from the Frenn Penn Zone, which had a February closing stock of 32 barrels of oil. The San Andres Zone will be produced into the same battery as our Lynch "A" Wells No. 4-5-7-8-9-10-11-12-13-14-15-16, Grayburg Jackson Pool.

Yours very truly,

SKELLY OIL COMPANY
