Gentlemen:

We are returning the enclosed Forms C-103 on the subject well for additional information. Please show the WOC time and pressure test results on the surface and intermediate strings and the footage of each grade and weight on the 4½".

Further, I would suggest that you refer to the Commission Rules and Regulations and see that all future reports are filed as prescribed in said rules.

Sincerely yours,

W. A. Gressett  
Supervisor, District II
