13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

Amount Sold = Zero

Amount Vented = 1.534 cu. ft/Day

Equipment Usage = Zero

The method of measurement used is by a 2" orifice tester (used for periodic testing)

The reason gas is not sold from this lease is that the Gas Company is not interested in installing a gas meter for so little amount of gas.

We request a one year extension to vent gas from this well.
