Re: State BI #1
SE/4 NW/4 Sec. 33-18-25
Eddy County, New Mexico

Gentlemen:

As per your request the forms necessary to make application for the creation of a new pool for the subject well are enclosed.

We currently have a pool located about 1½ miles south of your well that is designated the Boyd-Morrow; therefore, may I suggest the name of North Boyd-Morrow for your well.

Further, I note that the N/2 of Section 33-18-25 has both Federal and State leases that will require communitization prior to producing this well.

Sincerely yours,

W. A. Gressett
Supervisor, District II
