Dear Operator:

On November 9, 1999 an R-Order #11275 was issued by this agency for permission to convert this well to an injection well.

Pursuant to this order it is requested that the following information be furnished to this office:

- Date this well was converted.
- Date of completion of Initial MIT Test. (Please forward Chart).
- Date of first injection and volume of injection (rate/day).

In the event this well has not be converted please furnish us with the current status of the well and whether or not the well is to be converted.

Please utilize NMOC Form C-103 to submit the above information.

Respectfully,

Gerry Guye
