Re: Gaskins Well No. 1, Section 10,  
Township 19 South, Range 26 East,  
NEPM, Eddy County, New Mexico

Gentlemen:

Your letter of June 15, 1965, has been referred to me for reply. My reply has been delayed due to my absence from the State during the previous two weeks.

As the above well is a wildcat well in an unperated gas pool, production from this well would not affect the amount of gas that could be produced from a subsequent well completed on the lease.

Very truly yours,

*J. M. Durrett, Jr.*
