383 Garpe Bldg.  
Alamosa, New Mexico

Dear Mr. Bates:  
Re: C-103  
Alamosa, New Mexico

Dear Sir:

Please send me C-103 stating how much pipe was run  
and what size, weight and how much pipe was pulled, if any,  
before well was plugged. Also how much cement was run, on  
the well mentioned above.

Very truly yours,

W. H. H. H. COMMISSIONER

J. L. Armstrong  
Superintendent, District 12
