Gentlemen:

The recently submitted list of Shut-in, Temporary Abandoned and unreported wells shows the subject well was sold to Dave Collier in 1969.

However; to date, this office has not received Form C-104 reporting said change in ownership. Therefore, please submit Form C-103 in accordance with the memo dated 9-13-74 or if the well has been sold; notify the new owner of the need to submit the necessary reports.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

OIL CONSERVATION COMMISSION
