Re: Plugging Affidavit Henry
Black Drilling Co., Inc.
State Lease, Wells
1-A and 2-H, Sec. 32-198-30E

ATTN: Mr. Alan Antweil

Dear Sir:

Please furnish this office with an affidavit in triplicate as to the plugging of the above wells, with the following information:

1. Location of each cement plug (top and bottom), exact amount of cement used in each plug, and method used in placing plug.
2. Amount and weight of mud used.
3. Amount of casing pulled, if any.
4. Date wells were plugged.

This affidavit is necessary in that these wells were plugged without a representative of the Commission being present.

Very truly yours,

OIL CONSERVATION COMMISSION

W. A. Gressett

Re: Plugging Abandoned Wells
State of New Mexico
1-A and 2-A, Sec. 35-100-30

ATTN: Mr. Glen Andrews

Dear Sir:

Please furnish this office with an affidavit in triplicate as to the plugging of the above wells, with the following information:

1. Location of each cement plug (top and bottom), exact amount of cement used in each plug, and method used in placing plug.
2. Amount and weight of sand used.
3. Amount of casing pulled, if any.
4. Date wells were plugged.

This affidavit is necessary in that these wells were plugged without a representative of the Commission being present.

Very truly yours,

Oil Commission

W. A. Cresswell
Oil and Gas Inspector
