Fich in well sile

Mr. Mose Armstrong District Office Oil Conservation Commission P. O. Drawer DD Artesia, New Mexico

Dear Mr. Armstrong:

It has been called to our attention that we have been filing production reports for Keohane-Saunders, et al in error since October of 1961. The error has been regarding wells #7A and #15D, Section 35, Township 18 South, Range 31 East. Since November these wells have been assigned one allowable and through error in our office we considered the allowable as being assigned to each of the wells. This, of course, has thrown the production and the allowable considerably out since that date. We are preparing amended reports and will get them to your office during the week ending June 29 correcting this error. We are sorry to have made this error.

Very truly yours,

BASSETT, JOHNSTON & DEASON
