Welch A # 3	F-4-19-31	API 30-015-05728 Violation of Rule 201: Well needs to be properly abandoned.
Welch A # 4	3-4-19-31	API 30-015-05729 Violation of Rule 201: Well needs to be properly abandoned.

Dear Sirs:

This second directive is to notify you that these wells are still in violation of Rule 201.

On 4 february, 2001 a letter was sent notifying you on the violation of Rule 201. An inspection of the files on 11 March, 2002 found no action has been taken.

These wells must be brought into compliance on or before 31 March, 2002.

To bring the wells into compliance you have 3 options:

1. Put the wells into production.
2. T.A. the wells.
3. P. A. the wells.

Failure to bring these wells into compliance by the date stated will cause further enforcement. Such enforcement can be an order to Show Cause why the bond should not be forfeited, the well plugged and civil penalties assessed.

Sincerely,

Van Barton
Field Rep. II
