Re: Reservoir Limits Test,
Tom Brown Drilling Company's
Antelope Sink Unit, Well #1,
Unit "B" Sec. 16, T.19S R.24E
Eddy County, New Mexico

Dear Sir:

Reference is made to Commission Order No. R-2741 wherein Marathon Oil Company was granted authority to conduct a reservoir limits test on the above referenced well. Authority was granted to conduct the test for a period of three to thirty days duration and at a flow rate not greater than 1000 MCF per day. It is Marathon's intention to start the subject reservoir limits test on the morning of July 27, 1964.

Yours very truly,
