Lusk Strawn Pool

Gentlemen:

The special pool rules for the Lusk Strawn Pool require the dedication of one hundred and sixty acres to any well completed therein or within one mile of the outer boundary of the pool. Therefore, it will be necessary for you to file a new Form C-128 showing the dedication of one hundred and sixty acres to this well as quickly as possible. / Otherwise, we may assign the well no more than one fourth of the top allowable for the Lusk Strawn Pool. /
