Re: Jones Federal No. 2--G,
25-19-31, Lusk-Strawn
Pool, Eddy County, New
Mexico

Gentlemen:

Information in our files indicates that the subject well is a dually completed Lusk-Strawn Oil and undesignated Morrow gas well. However, we can find no record of receipt of the order authorizing the dual completion, packer setting affidavits or packer leakage tests. Please check your records and clarify this situation.

Very truly yours,
