Dear Sir:

Ninety days have elapsed since approval of Commission Form C-103 requesting 90 day extension of Form C-101 Notice of Intention to Drill, for the subject well and to date no progress reports, Forms C-103, have been received. Therefore Commission approval of Form C-103 has now expired and no drilling operations are to be initiated or continued without further notice to and approval by the Commission. Pending such approval this will be considered an abandoned location.

Yours very truly,
