Attention: Mr. M. L. Armstrong

Gentlemen:

In a telephone conversation with your office September 4, 1964, we were advised that a plat showing dedicated acreage for the Delhi-Taylor Jones-Federal Well No. 2-24 was not on file. As you know this well is now operated by Tenneco Oil Company. In checking Delhi-Taylor's files, we find that the C-128 report was completed by Delhi-Taylor but apparently never mailed.

We are submitting herewith three copies of the C-128 as prepared by Delhi-Taylor and showing 160 dedicated acres.

If there are any further problems on this lease, please advise us.

Yours very truly,

TENNECO OIL COMPANY
