N. Hackberry Yates Pool

Gentlemen:

This office received your Sundry Notice showing you had electrified the above mentioned well.

Since this is an old well, and we have no current paperwork for it, you will need to send a C-104 showing the transporters and well potential.

When your C-104 is received, we can up-date your file and change your allowable.

Very truly yours,

Leslie A. Clements
Supervisor, District II
