Figure 1. A schematic diagram of the experimental setup. The subject is seated in a chair and views the screen through a mirror. The screen displays the target (a red dot) and the starting position (a black dot). The subject's hand is positioned at the starting position. The distance between the starting position and the target is 10 cm. The subject is instructed to move the hand to the target as quickly and accurately as possible. The screen is 100 cm high and 100 cm wide. The subject's hand is positioned at the starting position. The distance between the starting position and the target is 10 cm. The subject is instructed to move the hand to the target as quickly and accurately as possible. The screen is 100 cm high and 100 cm wide.

1. The purpose of this document is to provide a clear and concise summary of the project's progress and to identify any issues that need to be addressed. This document will be used by the project team and stakeholders to ensure that everyone is on the same page and that the project is on track.

...and the fact that the *Journal* is not a journal of the American Psychological Association, but of the American Psychological Society, which is a much smaller organization.
