Re: Big Eddy Unit No. 5 C 34-19-31,
Lusk-Strawn Pool, Eddy County,
New Mexico

Gentlemen:

The subject well was acquired by Perry R. Bass from Pan American Petroleum Corporation. If the production from this well is still being run through the authorized LACT facility, it will be necessary for Perry R. Bass to file two copies of the monthly Meter Test Report with this office. Reports should commence with January, 1967. If the LACT System is no longer in use, please so advise us by return mail.

Very truly yours,
