

Dear Mr. Cochran,

All of the water analysis listed on the six attached pages with sample dates of 24 July 70, 21 August 70, 24 August 70, 7 September 70, 10 September 70, 13 September 70, from the Roger C. Hanks Well were all ran according to the API Recommended Practice for Analysis of Oil-Field Waters.

All of the results on the fore mentioned six pages were ran by me, H. M. Shaffer, and they are true results.

Harry M. Shaffer

22 September 70

*Signed before me this 22nd day of September,
1970.*
