Re: Parkway-Strawn Pool  
Petco State #1-P, 26-19-29  
Eddy County, New Mexico

Gentlemen:

Enclosed please find two revised copies of our acreage dedication plat outlining 160 acres for the subject well. This is in accordance with Commission Order R-4093 which designates field rules and pool name for the subject well.

The plats we mailed to you on February 3 did not show the two State leases involved in the 160 acre dedication. Under our Operating Agreement with Union Texas, we have their permission to communitize this acreage and are now in the process of requesting this through the New Mexico State Land Office.

Yours very truly,

THE PETROLEUM CORPORATION
