Gentlemen:

In accord with instructions for submitting an Application
for Permit to Drill under a Federal oil and gas lease, a Development
Plan for Surface Use is submitted as follows:

1. Existing Roads

Exhibit "A" attached shows existing roads in
solid red lines, including the exit from the
Artesia-Locho Hills Hiway.

2. Planned Access Road

The planned access road is shown on Exhibit
"A" as a dotted red line. Road width will be
16 feet with a compacted or surfaced width
of 12 feet. Where required by loose sand,
road will be surfaced with a six inch thickness
of caliche.

3. Location of existing wells

Location of existing wells and the location of
the proposed well is shown on Exhibit "B"
attached.

4. Lateral road to well locations
Included on Exhibit "A"
