Gentlemen:

We hereby acknowledge receipt of Form C-104 Request for Allowable on the subject well.

However; to date, we have not received Form C-102 dedicating 320 acres to this Morrow Gas Well, nor do we have any record of approval of the non-standard location; which must be approved by our Santa Fe office prior to producing the well.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

OIL CONSERVATION COMMISSION
