Dear Mr. Williams:

Re: Gardner Draw Unit  
Well #1 (LG 0462)  
Well #2 (LG 0463)  
Eddy Cty, New Mexico

Pursuant to your request we have revised our proposed procedures for the plugging and abandonment of the captioned wells. An original and three copies of Form C-103 for each well is enclosed.

If you have any questions about the procedure, please contact the engineer assigned to this project, Lane French, at (713) 739-1333 ext. 117.

Sincerely,
