17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Propose to temporarily abandon Canyon perfs 7468-93' and recompleate in Morrow perfs 8788-91'. The Canyon will be between two packers and behind the tubing. Will have sliding sleeve in tubing at about 8700', but will have sliding sleeve closed while producing Morrow.

Our intent is to establish reserves in the Morrow over a 3 - 6 month period, then apply for dual completion for downhole commingling.

Note: Morrow perforations are original perforations.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
