Gentlemen:

We acknowledge receipt of your C-104 dated June 13, 1983, and of your C-103's dated April 20, 1983 and June 13, 1983, on the above captioned well.

This well, however, is a Federal well, and should not be reported to us on C-103's. You should fill out the proper Federal forms and send them to the Federal office for filing.

We will hold your C-104 until such time as we receive a copy of the Completion Report and a notarized Deviation Survey.

If you have already sent these forms to the Federal office, they have not sent us any copies. If this is the case, please send us one copy of everything you have mailed to the Federal office so that we can process your C-104 and issue you an allowable for this well.

Very truly yours,
