Re: BB State #2 Single Well Bond #B05517  
Eddy County, NM  
El Ran, Inc./Operator

Dear Ms. Phillips:

Per our conversations and correspondence and on behalf of El Ran, Inc., included herewith is a copy of the letter of approval, from the New Mexico Energy, Minerals and Natural Resources Department, dated October 3, 1995, regarding the captioned.

As discussed, this original single well bond was provided to NMOCD with the bond covering the BB State #1 well, which you do have record of.

Subject bond has been maintained since approval, which Underwriter's Indemnity will verify, if necessary.

Apparently the original approved bond was not returned to El Ran, Inc. In the event it was returned with subject letter of approval, it has been misplaced.

We request, however, that this approved bond be recognized by the NMOCD in light of the information provided.

We appreciate your help and consideration.

Truly,  
  
Jim Pierce, RLP
