RE: Request Production Reduction
Stetco 10 Federal Well No. 1
Section 10, T-18-S, R-31-E
Eddy County, New Mexico

Dear Ms. Morgan:

The above subject well is currently overproduced 47,813 MCF through the month of April, 1991. It is requested that the well be reduced to half of its production until the well has made up its overproduction. It is projected the overproduction will be made up in three months.

Please advise at your earliest convenience if the above request is granted.

Yours very truly,

J. R. Jenkins
Northwest Operations
Production Superintendent
