13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

Marathon Oil Company has elected not to convert the Tamano (BSSC) Unit No. 303 to water injection at the proposed time, but to convert the well within 6 to 9 months. The oil production of the has not declined as expected; therefore, due to economic reasons the conversion has been postponed.

14. I hereby certify that the foregoing is true and correct
