Bond No. 24870

Gentlemen:

Reference is made to your letter of January 24th and December 14th pertaining to the above-captioned well. I regret very much that we have not answered your first letter concerning this matter.

Our inspector in Artesia, Mr. L. A. Hanson, has informed me that during his last trip to the well site the pits and cellar had not been cleaned up. He advised Mr. Woods by letter yesterday concerning this matter, and as soon as Mr. Woods complies with our regulation concerning the clean up of the well site, Mr. Hanson will advise us and we will cancel the bond.

Very truly yours,
