Gentlemen:

With reference to your letter of August 16th in regard to a bond for Charles C. Curry, Jr., we have located the bond to which you refer, but the principal is Binkley and Curry rather than Charles C. Curry, Jr.

As to the cancellation of the bond, this cannot be done until the well has been transferred to another owner who is bonded and the transfer approved by this Commission, or the present operator has plugged the well in conformance with our rules and regulations.

I note some correspondence from our Artesia District Supervisor directed to Mr. Curry in June of 1954, in which Mr. Curry was advised to give the matter of plugging this well his immediate attention. We have had no further correspondence concerning the well.

Yours very truly,

A. L. Porter, Jr.
Secretary - Director
