Dear Sir:-

I have your letter of the 5th and thank you for the prompt action on our application to plug the well. I am attaching C-103 in triplicate, which I hope is in order, and that you will also approve promptly, for the reason that I want to get the bond cancelled before another year starts on it, which would involve the paying of 1 years premium, also want to get another bond approved for a well to be drilled in the same 40 acre tract.

Thanking you, I am,

Yours very truly,
