Oil Conservation Commission Drawer DD Artesia, New Meixco

Dear Mr. Armstrong:

It is requested that we be permitted to not submit Form C 115 for the George E. Conley #1 Well, J-33-20-28, Saladar-Yates Pool, Eddy County, New Mexico.

This well has been shut down since December 1958, and no immediate plans are being made for pumping same until additional wells have been drilled in the area.

Your early reply will/be sincerely appreddated.
