Re: Oil and Gas Lease  
Las Cruces 063418

Gentlemen:

Receipt is acknowledged of your "Notice of Intention to Drill" dated July 14, 1955, covering your well No. 1 Unsinger located in the SE1/4 (Lot 9), T. 21 S., R. 29 E., section 4, Wildcat Area, Eddy County, New Mexico.

Your proposed work is hereby approved subject to compliance with the provisions of the "Oil and Gas Operating Regulations" revised May 25, 1942, a copy of which will be sent you on request and subject to the following conditions:

1. Drilling operations so authorized are subject to the attached sheet for general conditions of approval.
2. Furnish the U. S. Geological Survey a sample description log from the top of the anhydrite to the total depth, and/or copies of any electrical logs or surveys run, in addition to four copies of our log of oil or gas well, form 9-330.
3. Notify this office prior to the setting and cementing all casing, so that arrangements may be made to witness cementing operations and water shut off tests.
4. Save an extra set of samples for the U. S. Geological Survey, Carlsbad, New Mexico.

Very truly yours,

  
John A. Frost  
District Engineer
