

- 1360
- 1375 60 light buff dolomite; 40 white crystalline anhydrite.
- 1385 10 gray and brown slightly finely sandy dolomite; 80 brown to buff dolomite, trace anhydritic inclusions; 10 white crystalline anhydrite.
- 1395 10 brown slightly sandy dolomite; 60 brown dolomite; 20 white crystalline anhydrite; 10 gray shaley sand.
- 1400 50 buff to brown dolomite, anhydritic inclusions; 45 white crystalline anhydrite; 5 gray shaley sand.
- 1412 10 brown to buff dolomite, anhydritic inclusions; 10 white crystalline anhydrite; 80 fine gray shaley sand.
- 1419 Missing.
- 1422 20 buff to brown dolomite; trace anhydrite; 80 fine gray shaley sand; frosted quartz grains.
- 1427 50 buff to brown dolomite; 50 fine gray shaley sand; abundant frosted quartz grains.
- 1440 10 red slightly sandy dolomite; 60 light gray dolomite; 10 red shaley sand; 20 fine gray shaley sand.
- 1447 20 red slightly sandy dolomite; 60 white to light brown dolomite; 10 red shaley sand; 10 fine gray shaley sand.
- 1460 10 red dolomite; 30 white and light gray dolomite; 10 green shale; 20 medium grained gray sand, trace oil stain; 30 fine gray shaley sand.
- 1470 20 light gray and white dolomite; trace anhydrite; 20 gray slightly sandy shale; 60 gray to oil stained brown shaley sand; frosted quartz grains.
- 1480 Trace dolomite; trace gray shale; 80 red shaley sand; 20 gray to oil stained brown shaley sand; trace frosted quartz grains; trace bentonite.
- 1485 80 pink to white dolomite; trace gray shale; trace red shale; 10 red shaley sand; 10 gray to oil stained brown shaley sand.
- 1489 100 white crystalline to pink dolomite; trace gray shale; trace red shaley sand; trace gray sand.
- 1499 100 white crystalline to pink dolomite; trace anhydrite.
- 1510 10 pink dolomite; 90 light gray oolitic dolomite; trace anhydrite; trace oil stained brown dolomitic sand.
- 1521 50 white and light gray to light brown oolitic to slightly sandy dolomite; 10 gray shale; 40 slightly oil stained brown dolomitic sand.
- 1531 30 white to light gray oolitic dolomite, trace oil stained porosity; 30 very slightly oil stained brown dolomitic sand; 40 well oil stained brown slightly shaley slightly porous sand.
- 1534 40 white to light brown granularly crystalline dolomite, trace oil stain; 20 gray shale; 40 oil stained brown shaley dolomitic sand.
- 1541 10 white granularly white saturated porous dolomite; 80 white finely crystalline dolomite; trace gray shale; 10 oil stained brown shaley, dolomitic sand.
- 1545 30 oil stained white to brown crystalline slightly porous dolomite; 70 white and light gray crystalline dolomite, trace oil stain.
- 1561 60 light gray to buff finely crystalline dolomite; 40 white, light gray to oil stained brown dolomitic sand; pyritic sandstone and dolomite.
- 1573 20 oil stained brown crystalline slightly porous sand.
