Re: Amended Application for Permit to
Drill Government "Y" No. 1, Eddy
County, New Mexico

Gentlemen:

Cities Service Oil Company respectfully requests permission to drill well no. 1 on the Government "Y" lease at an amended location 1320' east of the originally proposed site. The new location is 660' FEL, 1980' FSL, Sec. 11-20S-28E, Eddy County, New Mexico. We regret the extra effort this change will cause you and respectfully request that the original application that was submitted February 8, 1974 be destroyed.

In support of this application, the following data is submitted:

1. Form 9-331C, Application for Permit to Drill
2. Form C-102, Well Location and Acreage Dedication Plat
3. Development plan which includes the following information:
 - a. Plat of area showing existing roads, proposed access road and relation of the proposed location to nearby wells.
 - b. Plat showing location layout including position of the rig, mud tanks, reserve pit, etc.
 - c. Blowout preventer diagram showing arrangement of BOP stack and components.
 - d. Schematic diagram showing hook up of BOP's, choke manifold and mud/gas separator.
 - e. Schematic diagram of casing program.
 - f. Summary of mud program.
