17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.) *

J.C. Williamson plans for a later re-entry on this well, but meanwhile, our agreement with the leasehold owners has lapsed because of time and will have to be renewed. This lease is held by production, and I plan to get back to it as soon as possible, no work has been done since Williamson has taken over operations.
