Dear Miss Jones:

We are returning the enclosed Forms C-103 on the subject well for additional information.

Please show the WOC time, pressure tests and results of same.

Further, the amended casing programs as approved by this office on 5-16-75 did not indicate the 9-5/8" casing to be a liner. Please advise this office as to what the balance of the proposed casing program will be.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

OIL CONSERVATION COMMISSION
