Dear Sirs:

Please be advised that on August 22, 1990, Marathon connected the North Indian Basin Unit #8 (Sec. 9, T21S, R23E) Morrow to the Indian Basin Gas Plant. This well is dually completed in the Morrow and the Upper Penn. The Upper Penn was previously connected on June 2, 1990.

Please contact me at the letterhead address if you require any additional information.

Sincerely,

A handwritten signature in cursive script that reads 'Stephen D. York'.
