Dear Renee,

Your procedure on the above subject well looks fine. I do need you to note that BOPE will be in use during work on the well. I need you to submit your application on the forms provided. Please show the dedicated acres for a Strawn gas well for re-completion to the Saladar; Strawn Gas Pool. Yates Petroleum has an active well completed in the Strawn in the west half. Please give me a call if you have any questions

Yours truly,

Bryan G. Arrant- OCD Artesia
