13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the final site is ready for final inspection.)

As required by Onshore Order #7, Marathon Oil Company is notifying you of the methods of water disposal from this well. Produced water from this well will be sent to a tank at the measurement facility, and then be sent, via pipeline, to one of the wells listed as PRIMARY DISPOSAL on the attached sheets. If additional capacity is required, water may be sent, via pipeline (if available) or truck hauled, to any of the wells listed under SECONDARY DISPOSAL on the attached sheets.

14. I hereby certify that the foregoing is true and correct
