Subject: Unorthodox Location Application

Hello Bryan,

Per our conversations yesterday and again today regarding the ChevronTexaco operated, NM State 'DF' #4 Morrow well (30-015-31853), a sundry notice is in the mail to you today informing you of our plans to expedite an application for an unorthodox Morrow location based on statewide rules. Also per our conversations, it is my understanding that ChevronTexaco will be allowed to continue to produce the well while subject application is processing. Thank you for your help in this matter.

Sincerely,
Scott M. Ingram
