Re: Crawford Lease 1/4 SW
9-24S-27E Well #1
Eddy County, N.M.

Gentlemen:

I am writing you in regard to a plugged & Abandoned Well mentioned above. We have not received a 6-103 on plugging of this well. The plugging was witnessed and is alright, but the pits were not filled the last time we were there. We would like for this work to be done as soon as possible.

Very truly yours,
