RE: Willow Lake Unit No. 1  
Willow Lake Atoka Gas  
NW/4, Sec. 22, T-24-S, R-28-E  
Eddy County, New Mexico

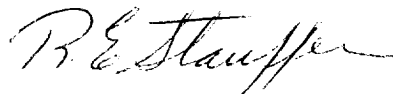

Gentlemen:

Enclosed in quintriplicate is Form C-104 designating The Permian Corporation as transporter of condensate. Originally this well tested dry gas only, but has begun to produce condensate at a rate of 0.67 BC per MMCF.

This C-104 in no way changes the designation of the gas transporter, El Paso Natural Gas Co.

Very truly yours,

AMINOIL USA, INC.

R.E. Stauffer  
Sr. Drilling Engineer
