

INSTRUCTIONS

This form is to be filed with the appropriate District Office of the Commission not later than 2 months after the completion of any newly-drilled or deepened well. It shall be accompanied by one copy of all electrical and radio-activity logs run on the well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be in true vertical depth. In the case of directionally drilled wells, true vertical depth shall also be reported. For multiple completions, Items 1-14 through 14 shall be reported for each zone. The form is to be filed in quintuplicate except on state land, where six copies are required. See Rule 1105.
