Gentlemen:

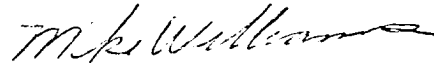

As of this date this office has not had a reply to our letter dated March 9, 1979.

A field inspection trip taken 7-17-79, showed you had not corrected the marker on your Swearingen #1. The marker reads 1980 FNE. It should read as per Re.

The marker on the Eastland-Brantley #1 does not have a unit letter or any footage recorded. Either the unit letter or the footage is required on the marker.

These corrections need to be made as soon as possible. Please notify this office when these corrections are made.

Sincerely yours,

Mike Williams
Oil & Gas Inspector
